ಶ್ರೀ ಎಂ. ಚಿಕ್ಕಲಿಂಗಯ್ಯ.—ನಾನು ಏತಕ್ಕಾಗಿ ಈ ಪ್ರಶ್ನೆ ಕೇಳುತ್ತಿದ್ದೇನೆಂದರೆ ತಾವು ಇತರ ಡಿಗ್ರಿ ಹೋಲ್ಡರುಗಳಿಗೆಲ್ಲಾ ಹೆಚ್ಚಿನ ಸಂಬಳದ ಸ್ಕೇಲನ್ನು ಕೊಟ್ಟು ಚೆಕ್ಸ್‌ಟೈಲ್ ಡಿಗ್ರಿಯವರಿಗೆ ತಿಂಗಳಿಗೆ 75 ರೂಪಾಯಿಗಳಮೇಲೆ ಸ್ಟಾರ್ಟ್ ಮಾಡುತ್ತಿರುವುದು ಅವರಿಗೆ ಡಿಸ್‌ಕರೇಜ್ ಮಾಡಿದಂತಾಗುವುದಿಲ್ಲವೇ ಎಂಬುದಕ್ಕಾಗಿ ಕೇಳುತ್ತಿದ್ದೇನೆ.

Sri H. M. CHANNABASAPPA.—That is a matter of opinion.

Sri M. PALANIYAPPAN.—Have you appointed any other Textile Graduates to the same Department, other than Demonstrators and Supervisors?

Sri H. M. CHANNABASAPPA.—That does not arise out of this question.

2-30 P.M.

Modur Gowrikere.

Q.—104. Sri D. DEVARAJ URS (Hunsur).—

Will the Government be pleased to state:—

(*a*) when the estimate of Modur Gowrikere, Hunsur Taluk, was prepared;

(*b*) how many times it was revised;

(*c*) if revised, what the reasons therefor are;

(*d*) when the restoration work will be started?

A.—Sri H. M. CHANNABASAPPA (Minister for Industries).—

(*a*) During 1948-49.

(*b*) Three times.

(*c*) To provide for current schedule of rates.

(*d*) Soon after the estimate is sanctioned.

ಶ್ರೀ ಡಿ. ದೇವರಾಜ ಅರಸ್.—ಎಸ್ಟಿಮೇಟ್ ಯಾವಾಗ ತಯಾರಾಗಿದೆ ಎನ್ನುವುದಕ್ಕೆ 1948-49ನೇ ಇಸವಿಯಲ್ಲಿ ಎಂದು ಉತ್ತರ ಇದೆ. ನನ್ನ information ಪ್ರಕಾರ ಮೊದಲನೆ ಎಸ್ಟಿಮೇಟು 1945ನೇ ಇಸವಿಯಲ್ಲಿ ಎಂದು ವರ್ತಮಾನ ಬಂದಿದೆ. ಯಾವುದು ಸರಿ?

ಶ್ರೀ ಎಚ್. ಎಂ. ಚನ್ನಬಸಪ್ಪ.—ನನಗೆ ತಿಳಿದಿರುವಂತೆ ತಾವು ಹೇಳುವುದು ಸರಿಯಲ್ಲ.

ಶ್ರೀ ಡಿ. ದೇವರಾಜ ಅರಸ್.—ಮೂರು ಸಾರಿ ರಿವೈಸ್ ಆಗಿದೆ ಎಂದು ಹೇಳುತ್ತೀರಿ. ಮೂರುಸಾರಿ ಎಂದರೆ ಯಾವ ಯಾವ ಪೀರಿಯಡ್‌ನಲ್ಲಿ ರಿವೈಸ್ ಆಗಿದೆ?

Sri H. M. CHANNABASAPPA.—The words used in the answer are not quite happy and correct. ಮೂರುಸಾರಿ ರೀಕ್ಯಾಸ್ಟ್ ಆಗಿದೆ ಎಂದು ತಾವು ಓದಿಕೊಳ್ಳಬೇಕೆಂದು ನನ್ನ ಕೋರಿಕೆ. ಒಂದುಸಾರಿ 1948-49ರಲ್ಲಿ ಮೊಟ್ಟಮೊದಲು ತಯಾರಾಯಿತು; 1952-53ರಲ್ಲಿ ಒಂದುಸಾರಿ, 1954-55ರಲ್ಲಿ ಒಂದು ಸಾರಿ ರೀಕ್ಯಾಸ್ಟ್ ಆಗಿದೆ.

Sri D. DEVARAJ URS.—I would like to know the difference between an estimate being recast and an estimate being revised?

Sri H. M. CHANNABASAPPA.—The Mysore Public Accounts Code lays down that an estimate can be deemed to be revised only when it is sanctioned and in the course of execution there are changes necessitated which require revision of the estimates. But where during the course of sanction, that is, during the course of consideration for sanction, very many changes have got to be made, then the estimate is said to be recast.

Mr. SPEAKER.—There is not much difference, probably.

Sri H. M. CHANNABASAPPA.—There is a lot of difference. With due deference I have to say that.

Sri D. DEVARAJ URS.—May I take it that after sanction if changes are made in the estimate, it is said to be revised and if even before it is sanctioned it is changed, it is recast?

Sri H. M. CHANNABASAPPA.—Quite correct.

Sri D. DEVARAJ URS.—So, in the course of preparing the estimate shall I take it that three times changes were made and that for so many years it was recast?

Sri H. M. CHANNABASAPPA.—An estimate may be recast any number of times as and when necessity arises.

Sri D. DEVARAJ URS.—For recasting such an estimate the reason given is to provide for current schedule of rates.

Sri H. M. CHANNABASAPPA.—That is one of the reasons.

Sri D. DEVARAJ URS.—But that is the reason you are pleased to give in the answer.

Sri H. M. CHANNABASAPPA.—That is an important reason. That is why it has found a place in the answer. But there are other reasons also.

Sri D. DEVARAJ URS.—What are those other reasons ?

Sri H. M. CHANNABASAPPA.—Very many, and I do not want to take the valuable time of the House to explain the details. If the Hon'ble Member wants, I have no objection to state them.

Sri D. DEVARAJ URS.—Shall I take it that the inefficiency of the department is also one of the reasons ?

Sri H. M. CHANNABASAPPA.—That is a matter of opinion.

Sri D. DEVARAJ URS.—The last answer given is 'soon after the estimate is sanctioned' to the question 'when the restoration work will be started'. Nearly Eight years have elapsed before this estimate is sanctioned. For how many more years they will have to wait ?

Sri H. M. GHANNABASAPPA.—I do not think there is any need for you to wait any longer.

Sri D. DEVARAJ URS.—That is not a definite answer. It is rather a serious affair—estimate pending before the Government for nearly Eight years ! And even now the answer is vague—'soon after it is sanctioned'. Till doomsday it can go on like this, getting the estimate, recasting, and so on.

Sri H. M. CHANNABASAPPA.—It is incorrect information. The estimate came to Governmental level only on 20th September 1955 and so it may have been pending at various places or in various stages and therefore it is an incorrect statement of fact to say that the estimate has been pending with the Government for a long time. But, anyway, I do concede that a long time has been taken and action will be taken to see that it is finalised at a very early date.

Sri D. DEVARAJ URS.—Can the Government absolve itself of the responsibility if an estimate gets itself stuck up in the department and we are made to wait for a number of years and the Government were to come now and say that it came up before them only sometime ago ? Is that the kind of answer to be given ?

Mr. DEPUTY SPEAKER.—Any how the last sentence is satisfactory.

Sri H. M. CHANNABASAPPA.—I would like to submit that if for very good reasons we would have to wait, we have to wait.

Breached Tanks in V.C. Area (Effects of Restoration)

Q.—180. Sri B. P. NAGARAJA MURTHY (Malavalli).—

Will the Government be pleased to state:—

(*a*) whether the opinion of the Health Standing Committee was obtained before the Government took decision to restore all the breached tanks in V. C. area ;

(*b*) whether this decision helps the prevention of Malaria in V.C. area ?

A.—Sri H. M. CHANNABASAPPA (Minister for Industries).—

(*a*) The decision is to the effect that the restoration of breached tanks in the Visvesvaraya Canal Area may be tried in one of the valleys. The question as put does not therefore arise.

(*b*) Does not arise in view of reply to (*a*).

Sri B. P. NAGARAJA MURTHY.—Which is the valley area where the Government have taken a decision to restore all the breached tanks ?

*Sri H. M. CHANNABASAPPA.—Government have not prescribed any particular valley. But anyway the Government have said that this may be tried in one or two valleys as an experimental measure. That depends upon which valley the department recommends.

Sri B. P. NAGARAJA MURTHY.—Shall I take it that the Government have not selected yet any one valley ?

Sri H. M. CHANNABASAPPA.—Government have not indicated any particular valley in which it has got to be taken. We have left it to the discretion of the officer concerned.

Sri B. P. NAGARAJA MURTHY.—May I know whether the Chief Engineer has proposed any one of the valleys ?
